# President's Message

Spring is in the air; April was a fun month at the club for both golf and social events. I would like to thank our social and membership committees for putting together a fantastic Casino party. We had over 120 in attendance and everyone was a winner if fun counts as a prize.

I hope you have seen the new custom tables in the upstairs bar. This project was headed up by Mary Catherine Robbins and completely paid for with private donations. Every comment has been positive--that they add an upgraded touch to the bar area. Based on member response and support, we could do a similar upgrade for the deck and dining room. Please let Mary Catherine or me know if you would be interested in helping with this project.

The Signal Mountain Invitational is May 20-22. You still have time to sign up to play and/or sponsor. All event sponsors will be invited to the sponsor's party on Friday evening. This event showcases our club to many of the areas top golfers.

As we move into the busy season don't forget our spring membership drive ends May 31. Continue to tell your friends and neighbors about membership and its benefits.

See you at the club.

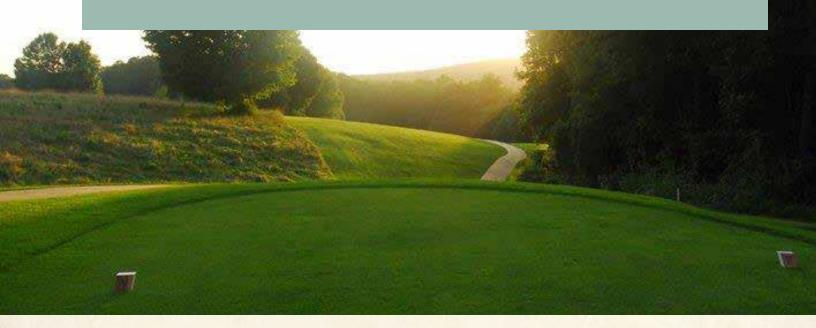

Mike LeVan

# Membership Special

The membership committee with board approval has instituted a membership drive reducing initiation fees in the Junior and Full Golf Categories. This Special will ONLY be available from March 1, 2016 -May 31, 2016.

The Junior (Under 40) special is a \$1,000 initial payment and installment payments of \$50.00 per month for 40 months totaling \$3,000. A savings of \$2,000!!!

The Full special is a \$2,000 initial payment and installment payments of \$50.00 per month for 40 months totaling \$4,000. A Savings of \$1,000!!!

# Out of the Rough May 2016

May is upon us and I'm optimistic it will bring the weather the course needs to turn the page from winter. In this month's newsletter I'll discuss a couple turf related topics and update you on our project work.

Bermudagrass, which is our primary turf grass on fairways, tees and approaches, is a warm season grass. This means it doesn't reach its active growing period until soil temperatures reach 65 degrees. Bermudagrass knows no calendar, special event date or the like. It is simply a plant that will begin to grow when the environmental conditions are right. Once conditions are met for plant growth we can manipulate the system with supplemental fertility etc. We are just now reaching those environmental conditions on portions of our golf course. This being a 100 year old golf course, there are no less than 5 types of Bermudagrass on the course. Each have their own unique growing requirements, so they don't all green up and grow at the same exact time. In addition to variations in plant material, we have several unique growing environments.

The photo above shows the difference in growing environments on the 4th fairway. The center portion of the fairway faces the south and west, receives a great deal of sunlight, and is naturally well drained. The left hand portion of the fairway is heavily shaded, has a great deal of root encroachment from nearby trees and is habitually wet due to the nature of the surrounding grade. The result is that the left side of the 4th fairway is a couple weeks behind in relation to the center of the fairway.

Several areas that were sodded last year have been slow to green up. While I do expect to see a little bit of damage to the right of the 16th and 17th holes, other areas are now starting to green up. Sod work will be considerably less this year than in the past number of years. The photo below shows an area that was entirely brown the second week of April but is now greening up nicely. We have to be patient with some of these areas as it's the only way to break the cycle of sodding each year.

t of the Rough

We are in the process of installing some nice rock work around several cart path edges. This will help prevent erosion and protect the turf near some of our really sharp turns. Recently we've repaired or installed these along the 1st tee, 2nd tee, 5th green, 6th tee, 14th tee, 16th tee, 17th tee and 18th tee.

As a final note, please help us protect the turf by keeping carts on the path near greens and tees; specifically, the 2nd green! Carts should never be driven to the rear of that green. Additionally, please keep your cart on the path until you get 90degrees from your golf ball. Driving up the fairway the entire length of the hole is never proper etiquette. None of us like to see ropes and signage on the course. They aren't cheap to buy and can consume 2-4 hours of labor each day to adjust and set up. Out of necessity, we will have a much greater amount of them on the course this season.

Please, if you'd like to discuss any of these topics in greater detail feel free to contact me at prose@smgcc. org. I'm always happy to spend some time on the course with members to discuss any concerns they may have. If you aren't following the Department's Twitter account (@SMGCCTURF) you are missing out! It's easy to sign up and get updates on what to expect when you arrive for your tee time.

See you on the course! Pat

It's May, It's May. Everyone come out and play.

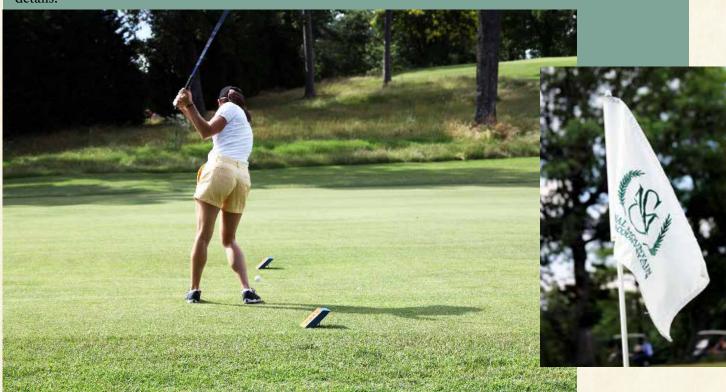

The golf course is greening up and our season has gotten off to a great start. There are sign up sheets in the ladies' lounge for Tuesday and Thursday morning play as well as various events happening around the area.

The Association match play tournament (Kistler Tournament) will start on Thursday, June 2 and go through the summer. Yes, the sign up sheet for that is also on the ladies' lounge bulletin board.

When you're in the lounge be sure to pick up a registration form for our invitational, Lavish and Decadent goes to the Beach. We will cut off at 80 players. There was a waiting list last year. It will be held on June 9th and you KNOW that's going to arrive in a flash, so sign up soon. Contact DeeDee Raulston or Chee Allen for additional information.

Saturday golf is up and running. Give Sylvia Friedl your email address (sylviafriedl@hotmail.com) and she'll add you to the weekly mailing list. We usually play 18 holes starting around 10:45.

There will be a weekly morning ladies' clinic starting in the next few weeks. Check with the pro shop for details.

# Lifeguards Needed

We are looking for certified lifeguards for the 2016 season! (16 years or older)

If you know of someone who would be interested, this is the time of year certification classes are offered.

# Signal Mountain Invitational

The 80th Signal Mountain Invitational is just around the corner. The event will be held May 20th-22nd. The Invitational is one of the premier amateur events in the southeast. The tournament always draws a very strong field that typically includes several of our members. I hope this year will be no different. The unique thing about the Invitational is that it appeals to all ranges of golfers. The championship flight will house some of the best amateurs in the area while the stableford division will include golfers with a 10.0 handicap or higher. We hope to once again have a great turnout from our membership competing in this great event this year. If you cannot participate but still wish to help out, we are still accepting sponsorships. Sponsorships are \$100. The sponsorship fee will get your name or company name listed on the sponsorship board displayed at the putting green for the entire tournament, your name listed on all of the cart signs, and listed on next year's invitation. The sponsorship will also get you an invitation to a great party held at the Country Club Friday, May 20th. Please contact the golf shop if you would like to sign-up or sponsor. One additional way to help this great event succeed is through voluntary efforts. With several blind tee shots and some participants playing this course for the first time, we love to have spotters out on the golf course to help players find the occasional errant tee shot. We also need volunteers to help at the scoring table. Please contact the golf shop if you would like to volunteer.

# Lockers and Handicaps

If you haven't already done so, reserve a locker in the Men's Locker Room to reduce some of the clutter in your trunk and never forget your golf shoes at home again. Your locker will also make a great place to store a golf shirt for those days when you sneak out of work a little early. Locker fees are \$100 for the year or \$9 per month. One of the best ways to meet new people and really enjoy what the club has to offer is to compete in some of our great golf tournaments. To be able to compete in these events we do require a USGA GHIN handicap. Check in with the golf shop if you would like to get a handicap established. Handicap fees are \$30 per year. If you have someone that you would like to invite to this year's Mountaineer who does not currently have a handicap, we can get them established at the Club. They can enter their scores online or through the GHIN app. All members and guests must have a USGA handicap.

# 2016 Signal Mountain Invitational

The Invitational is once again just around the corner on May 20<sup>th</sup>-22<sup>nd</sup>. As you know, the 54-hole event is one of the oldest in the state and will showcase some of the top players in our area. We hope to again draw an outstanding amateur field. The club cannot put on such a great state-wide, amateur event without the help of our wonderful membership. Whether a monetary sponsorship donation, tournament participation, or just volunteering to help out; the success of the event is widely based on your generosity. Please contact the golf shop if you would like to play, volunteer, or sponsor.

# Format of Play

Handicap Index 9.9 or less. 54 - Hole Stoke Play Competition

Handicap Index of 10.0 or Higher 54 - Hole Stableford (Points) Competition

All flights Determined by USGA Handicap.

Entry Fee (\$160.00)

Three rounds of golf with cart, range balls, and pairings party for two.

\*Participants receive World Amateur Golf Ranking Points, Scratch Player World Amateur Ranking Points, and Level II TGA Player of the Year Points.

The sponsorship fee will be \$100 and we request that this payment be submitted by May 15<sup>th</sup>. Our goal is to obtain all payments by this date in order for our sponsors to be accurately listed on all publications. If this is not practical, we will of course accept sponsorship money at any time prior to the event. The money received from your sponsorship is directly used to fund the awards given away during the tournament. As a reward for your generosity, a sponsor's party will be held at Signal Mountain Golf and Country Club.
